

**Caltech Career Fairs & On-Campus Recruiting
Employer FAQ**

*****CAREER FAIRS*****

- Employers must register in advance – Career Fairs are limited to the first 100 employers that register; early registration is recommended.
- Registration typically opens 4-6 weeks in advance of the Career Fair and closes when the employer limit (100) is reached. Certain activities (information sessions, on-campus interview rooms) may have earlier deadlines.
- Sign up as an employer with Caltech’s [TecherLink](#) to receive announcements and stay informed.
